

## Conditions of Brokerage – Buyer

### Details of the Craft:

The particulars given for any boat are intended as a guide only and do not constitute a definitive list of equipment included or the condition or functioning thereof.

Potential purchasers must verify for themselves that any equipment is present and in working order.

Potential purchasers are strongly advised to acquire the services of a marine surveyor (see below) and where applicable to have an engine trial conducted.

While the utmost care is taken in the preparation of all details Derwent Water Marina can accept no responsibility for any errors or omissions.

### Offers:

As Broker/Agent of the boat our role is to report any offers directly to the owner.

### Deposit:

Once an offer has been accepted a 10% deposit is required to secure the sale. The balance must be paid within 14 days, unless the sale is conditional upon a survey.

### Payment:

Payment must be in the form of a debit card, cheque, or a direct transfer to our client account via BACS or CHAPS transfer.

Client Account sort code: 01-04-69 Account No: 34002707

The boat may only be moved from Derwent Water Marina once all funds have cleared into our Client Account.

### Insurance:

Appropriate insurance for the boat must be arranged to be in place from the day of transfer of ownership.

### Transportation:

If Derwent Water Marina is to transport your boat, the trailer must be in a roadworthy condition and the boat must be secure on the trailer. You must have appropriate insurance and breakdown cover.

### Surveyors:

Whilst we are not allowed to recommend particular surveyors the following have been used by clients at this marina:
